

Plagues, Plagues and Plagues Everywhere!

By [Veronique Belmar](#) | Submitted On February 04, 2006

He ceases his intercession in the sanctuary. His wrath is kindled against those who worshiped the beast, his image, and had his mark. Plagues are poured out on the people, some with sores all over their bodies, while others had no water to drink or to wash because the sea turned into thick blood. The rivers and fountains also flowed with blood. The sun plagued the people with its scourging heat. Darkness filled the beast's kingdom. In fact, the plague of darkness was so thick the people gnawed their tongues in pain. The great river Euphrates dried up, Armageddon had begun. Finally, the last plague that was poured onto the people was hailstones. Each hailstone weighed about a hundred pounds and the people cursed God because of the hail of the plague.

Why are you still sleeping?

Did you know that angels are being commanded to pour out the vials of God's wrath upon the earth? The first is being commanded to pour his vials and when he pours, a foul and loathsome sore will come upon the people who have the mark of the beast and on those who worship his image. When the second angel pours his vial on the sea, the sea will turn to blood and every living creature in the sea will die. The third angel will pour out his vial on the rivers and springs of water, they too will become blood. These plagues will be more severe than those that fell upon the Egyptians, thousands of years ago. After the third plague, the angel of the waters will praise God because he will judge those who will shed the blood of saints and prophets and those people will receive their just reward!

Wake up!

The fourth angel will pour out his vial on the sun and power that was given to the sun will scorch the people. They will blaspheme the name of God. Then the fifth angel will come with his vial and pour it upon the throne of the beast and the beast's kingdom will fill with darkness.

This darkness will cause pain and people will gnaw their tongues. The God of heaven will be blasphemed because of the pain of the plagues. However, the sixth angel will pour out his vial on the great river Euphrates its waters will dry up so that the way of the kings (rulers) from the east might be prepared. What these rulers and the world does not know, is that they are being controlled by evil powers who are initiating to battle against God Almighty. And these rulers will be led to fight the last battle in a place called Armageddon.

Last Plague

This is how it will happen according to the word of God. The seventh angel is commanded to pour out his vial into the air and when he does, a loud voice will come out of the temple of heaven and say: "It is done!" Then, there will be noises, thunder, lightings, and a great earthquake, which will result in the collapse of cities of all the nations and God will remember great Babylon (earth) and will give her the bitterness of his wrath. The Islands and mountains will go into oblivion, and great hailstones, weighing about a hundred pounds each, will fall from heaven upon men. Again, people will blaspheme God!

Don't let me catch you sleeping!

Remember I'm coming like a thief and those who watch for me are blessed because they will be doing my will, loving and caring for each other in every way possible. To the God of mercy such act of punishment is called a strange act because he has "no pleasure in the death of the wicked, but he will by no means clear the guilty".

Fearful Time Ahead

There will be mourning in the earth because there will be no food to eat and the seed will rot under their "clods". The beast groans and the cattle perplexed because they have no pasture. The rivers are dried up and fire devours the pastures. Instead of songs of praise in the temple there will be "howling" and many people will die!

Sounds like Fiction?

Unfortunately, it's not fiction, but will be reality one day and if the plagues have not yet began to fall it will not be long now before it does. How do I know this? Well, because the signs of the times in our generation tell us that the earth is ripe for harvest. Also, Bible Prophecy tells us that when we see certain things taking place in our world and in quick succession, they will be indications of the end of the world. Some of these signs are: lawlessness, children having children, disobedient to parents, lovers of pleasure more than lovers of God, and many more. Such things we see in our world today. Therefore, search the word of God for yourselves and give your hearts to him and he will save you not only from the dreadful plagues, but from eternal death, which means Eternal Life with him!
