**Whilst the above list is by no means exhaustive, we hope it gives some indication on the varying costs of a funeral – in fact, it is very rare that two funerals cost the same. We specialise in providing bespoke funerals – from the very simple to the more elaborate and everything else in between.**

**Please do ask us about costs and any concerns you may have – we are here to help and explain all the costs relevant to your requirements, so as to give you a full picture of the total cost.**

**Thank you**
