

Floors – Safety

Altro XpressLay adhesive-free

Application areas:

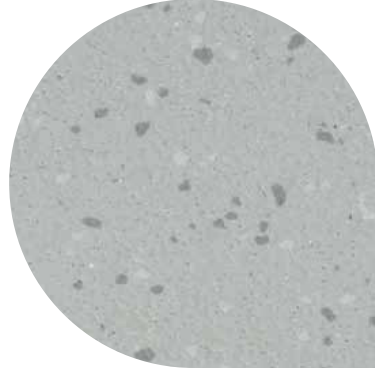

- General purpose, versatile safety where adhesive-free benefits are required where occasional contamination from water is a concern.

Altro XpressLay can save you time and money. It can be installed and removed quickly and reused and recycled, helping both you and the environment.

This system has a studded emboss on the underside of the flooring which allows any subfloor moisture to escape. It has been designed to lie flat without the need to be adhered. Altro doubled-sided, moisture-tolerant tape is used to secure the flooring in place while you weld. Altro XpressLay is **adhesive-free** giving you same-day welding and allowing you to walk on the floor straight away.

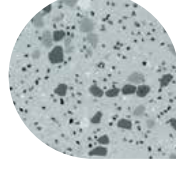

Altro XpressLay has the slip resistance, life expectancy and ability to withstand heavy loads that you expect from Altro safety flooring.

The range has 30 colours and matches with Altro Walkway 20.
