

Floors – Safety

Altro Walkway 20

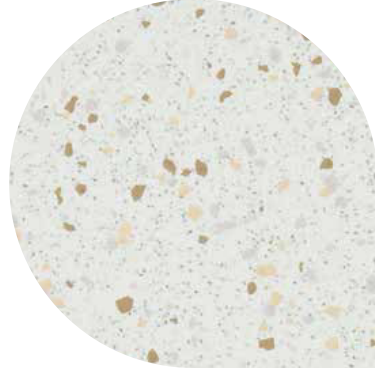

Application areas:

- General purpose flooring for areas where occasional contamination from water is a concern

The range has 30 colours – featuring bright and subtle, sparkle-free designs, and decorative chipped options which give you enhanced design flexibility.

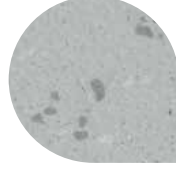

Altro Walkway 20 shares its colour range with Altro XpressLay. This enables you to combine use of both ranges when you need traditionally adhered and adhesive-free safety flooring in adjacent areas.

You've loved working with Altro Walkway 20 for over 30 years because it's easy to cove and weld. It achieves PTV ≥ 36 on the pendulum test giving sustained slip resistance throughout the lifetime of the product. Altro Walkway 20 also includes Altro Easyclean Technology, and has superior chemical and stain resistance.
