About Us

We are a family run business with strong core values in an ever-changing world.

Our mission is simple: to supply a variety of leading luxury bathroom products with the latest contemporary designs at affordable prices. Our products demonstrate comfort, reliability and practicality without compromising on quality whatsoever.

As an importer and distributor, all of our products are manufactured to the highest quality and subjected to rigorous testing and quality control in compliance to ISO certificated standards. Our products are UKCA compliant and WRAS approved. We ensure the quality and craftsmanship of the components used within our own products by conducting rigorous quality control inspections, collaborating with trusted suppliers, and employing skilled artisans who adhere to the highest industry standards. Additionally, we utilise advanced manufacturing techniques and sustainable materials to ensure durability, performance, and aesthetic appeal in every product we create.

We look forward to helping you with any enquiries you may have. If we can be of any assistance, please do not hesitate to contact us.

Product Icons

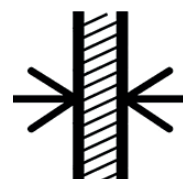

Throughout the brochure we have product icons to help you identify certain traits about the products.

Please see the icons below for the relevant product ranges.

Closed Back

A closed back design to hide pipework, for a cleaner finish.

Thickness

Our furniture range boasts a superior thickness, crafted with enduring strength.

Pre-Packed Seat

Where shown, the toilet seat can be found packaged inside the pan box.

Dual Flush

Dual flush valve gives the option of a full flush or half flush, allowing you to use half the amount of water where possible.

Quick Release

Quick release technology incorporated in some toilet seats allows you to easily remove the toilet seat, thanks to an innovative hinge mechanism.

Soft Close Seat

Soft closing toilet seats close in a slow, quiet & controlled motion to prevent slamming and banging.

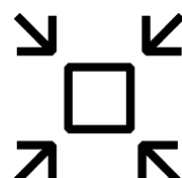

Rimless Flush

A toilet without a traditional rim, rimless toilets are easy to clean and more hygienic than their traditional counterparts.

100% Waterproof

PVC offers an exceptional water resistance of 100%. Our PVC bathroom cabinets are completely waterproof and they have an extremely long life.

Space Saver

A short projection toilet pan with reduced depth can free up more space and does not cramp up a compact room.

Tap Not Included

Be advised the tap shown in the picture is not included with the vanity unit / basin. Taps sold separately.

Contact The Team

Please aim to send your emails to the relevant department, as failure to do so may result in your email not being dealt with.

Delivery Information

Delivery Information

VR Bathrooms offers delivery across a wide service area using our own depot vehicles and trusted third-party couriers. Delivery availability, charges and lead times depend on the delivery postcode, order size, stock availability and vehicle routing.

Delivery Zones

Wales Depot Delivery – WD

Postcodes shown in blue are serviced by our Wales Depot.

Orders placed by 3:00 pm may qualify for the next available delivery date, subject to stock availability and route scheduling.

London Depot Delivery – LD

Postcodes shown in green are serviced by our London Depot.

Orders placed by 3:00 pm may qualify for the next available delivery date, subject to stock availability and route scheduling.

Third-Party Courier

Postcodes shown in orange are serviced by approved third-party couriers.

A minimum goods order value of £425 ex VAT applies to deliveries within the third-party courier area. Delivery charges may apply in addition.

Delivery times and charges may vary depending on postcode, order size and courier availability.

Request a Quote

Postcodes shown in pink require a delivery quotation before dispatch.

Please contact our sales office with the full delivery address, postcode, order details and site contact information.

Unserviceable Areas

Postcodes shown in grey are currently outside our standard delivery service area.

Please contact us to discuss available options.

Site Delivery Requirements

For all site deliveries, customers must provide:

Full delivery address and postcode

Site contact name and mobile number

Any access restrictions or delivery instructions

Suitable access for delivery vehicles

Labour and equipment for unloading where required

Deliveries will be made as close to the destination as safe and lawful road access allows. Drivers are not responsible for carrying goods into properties, upstairs, through buildings, or across unsafe access areas unless agreed in advance.

Delivery Charges

Delivery charges vary by postcode, order size and delivery method.

A delivery charge or quotation will be confirmed after the order is placed or before dispatch where applicable.

Additional charges may apply for failed deliveries, waiting time, redelivery, restricted access, parking, congestion charges, or aborted deliveries.

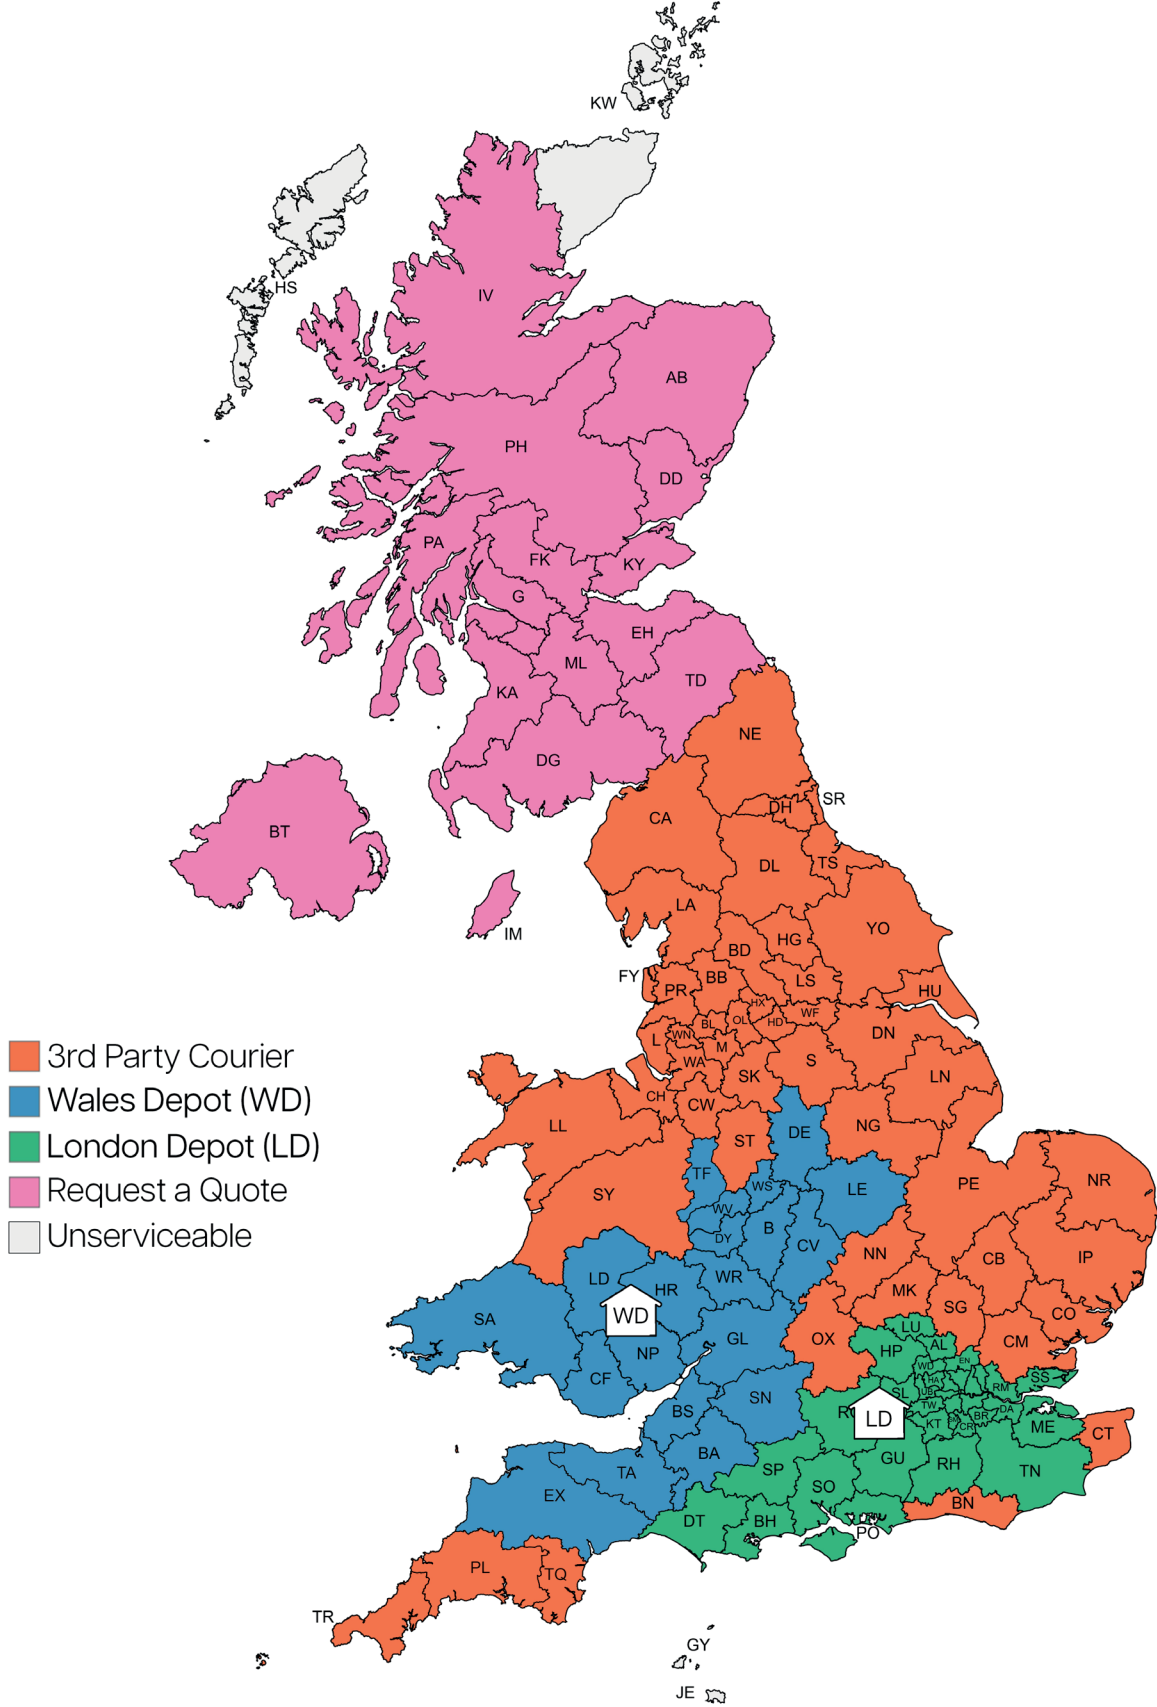

Important Delivery Notes

Delivery dates and times are estimates only and are not guaranteed.

Next working day delivery may be available in selected areas but is subject to stock availability, order cut-off times and delivery capacity.

Goods must be checked upon delivery. Any shortages, visible damage or incorrect items must be reported within 48 hours.

Delivery Zones

Delivery zones are provided as a guide only. Availability, charges and lead times may vary depending on postcode, order size, stock availability and route scheduling. A minimum goods order value of £425 ex VAT applies to third-party courier areas.

Eterna Mini

✦✦ New Product Range

Page 51

The Eterna Mini 400mm Unit is designed to deliver refined functionality in compact spaces. It offers a purposeful solution where space is at a premium without compromising on style. The single door is finished with a distinctive waterfall style handle, creating a seamless, sculptural detail that enhances the unit's clean lines.

100% Waterproof
Lifetime Guarantee (excluding hinges)

Eterna
Page 53

✦✦ New Product Range

Discover our fully waterproof PVC short-projection bathroom unit, designed for modern living. Built to withstand daily moisture with ease, this sleek unit features a minimalist design, durable construction, and smooth soft-close hinges. A practical and stylish solution that's built to last.

 **100% Waterproof**
Lifetime Guarantee (excluding hinges)

Haven

Acrylic Baths ✨ New Product Range

Page 131

The Voltera features a soft rounded inner design, offering a more relaxed ergonomic bathing experience that's perfect for unwinding. In contrast, the Matera showcases a sharper square inner profile, delivering a bold modern look ideal for minimalist and architectural bathrooms.

Both baths are crafted from high-quality acrylic, providing excellent heat retention, a smooth easy-clean surface, and long-lasting durability making them a practical and stylish choice for any bathroom installation.

Electric Towel Rails

Page 189

✦✦✦ New Product Range

We're excited to introduce our new towel rail range, combining stylish design with everyday practicality. Our latest additions include the Arnage, Velino, Gia, and Solara towel rails, each crafted to bring warmth, functionality, and a refined finish to any bathroom space. With a selection of sleek, contemporary designs, this new range offers the perfect finishing touch while keeping towels warm, dry, and close to hand.

Volcan

Wall Hung Unit With Stone Textured Basin And Handleless Drawers

Volcanic Stone Resin Basin

The volcanic stone resin basin is a perfect addition to this elegant unit, combining the rough feel of stone with the sleek modern touch of the unit.

This basin comes with a matching overflow and pop-up waste and is available in 1 tap or no tap hole variations.

Stone Soft Touch Basin

Exclusive to the 1000mm variant of this unit, the fluted glass door is a statement for your modern bathroom. Equipped with a soft closing mechanism ensuring your peace of mind when closing.

The royal blue unit features a gold trim on the edges of the fluted glass and the luxe grey features a black trim to finish the modern feel.

SPLASHBAX

SPLASH INTO LUXURY

Di - Bond panels

Made from a durable aluminium-plastic composite, our Di-Bond panels are 100% waterproof and won't swell, rust, or degrade like MDF or plywood alternatives. A tough, abrasion-resistant hard-coat finish protects the UV-cured print, ensuring long-lasting durability.

Sizing

(D) 3mm - (W) 800 - (H) 2400
(D) 3mm - (W) 900 - (H) 2400
(D) 3mm - (W) 1200 - (H) 2400

Acrylic Panels

Solid, reverse-printed, and 100% waterproof, our acrylic panels are built for durability. Made from 3 mm thick acrylic, each panel features a sharp UV-printed design on the reverse, protected by a silver foil backing. This creates a hard-wearing, easy-to-clean surface with minimal risk of damage.

Sizing

(D) 3mm - (W) 800 - (H) 2440
(D) 3mm - (W) 900 - (H) 2440
(D) 3mm - (W) 1220 - (H) 2440

perform[®] panel

No other panel performs like perform panel

With easy installation, no grouting and a unique high-performance fitting system, perform panel gives you a seamless waterproof wall in a fraction of the time it would take to tile.

Available in a large selection of stylish designs across three core ranges, perform panel works with any interior scheme.

Made in the UK, by a family firm trusted by the building industry for over 160 years.

Supplied in an 11mm thickness, with three standard sizes, in wbp plywood core.

2400 x 600mm
Plywood Weight: 12kg

2400 x 900mm
Plywood Weight: 18kg

2400 x 1200mm
Plywood Weight: 24kg

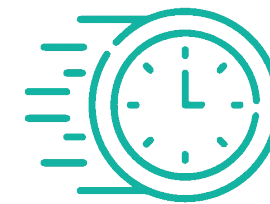

Perform panel can also be cut to specific sizes to suit the customers' requirements. Please get in touch if you wish to enquire about a custom size.

Tolerances
Length +/-1.5mm
Width +/- 0.5mm
Thickness +/- 0.5mm
Difference from level +/- 0.2mm
Curving convex 1.00mm
Curving concave 2mm

Product Specification

Perform panel products are manufactured using a 5-layer plywood core. The boards are bonded to HPL (high-pressure laminate) to the front face and a backing HPL to reverse. Suitable as shower panels or for wet rooms and other areas with extremely high humidity.

Where the long edges of the panels are supplied with the nu-lock tongue and groove click system, certified 7-layer birch plywood is used as the core substrate.

Five times faster than tiles to install

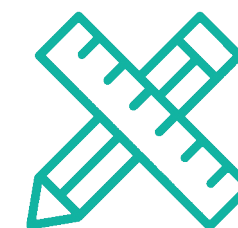

Save time & money with perform panel

Seamless finish for easy cleaning

Backed by a 35 year guarantee

Design without borders

Nu-Lock. Just Click To Fit

Our unique nu-lock tongue-and-groove click system gives you a seamless, practically invisible finish, a major improvement on the traditional straight joint profile. Available in every design. Please note that due to the machining process, nu-lock panels have a slightly reduced face size.

2400 x 580mm 2400 x 800mm 2400 x 1180mm

Trims, Adhesive & Silicone

Seal and finish edges and joints with our range of wall panel trims, available in a variety of colours including; satin anodised aluminium, white, chrome, black or colour-match for an invisible finish.

Our own brand adhesive and silicone sealant have been developed specifically to ensure optimum performance with our panels and trims.

Returns

1. Returns

No collections will be accepted via phone, and will not be accepted if the returns form is not completed fully. In addition to this, drivers will not be authorised to collect anything without the correct collection paperwork.

2. Damaged Items

Any damaged items must be reported within 48 hours of receipt, Bath and shower trays must be checked at the time of delivery. (These items are non-returnable and non-refundable once delivered).

3. Stock Returns (Unwanted Items)

Items must be returned in resalable condition, unused, and in the original, intact packaging. A 20% restocking fee will be deducted from the credit issued.

4. Submission of Requests

For all returns, replacements and collection requests, the returns form as well as any photos must be completed fully and emailed to: [Returns@vr-bathrooms.co.uk](mailto>Returns@vr-bathrooms.co.uk)

Failure to adhere to the above will result in a delay in credits being processed.

5. Missing Parts

In the unlikely event that you unpack a product and subsequently discover that components are missing, please revert to *2* and report this within 48 hours of receipt.

Any queries relating to damaged goods, returns, cancellations and missing parts must be directed to: returns@vr-bathrooms.co.uk

Failure to follow the correct process may result in your email/request not being dealt with.

Terms & Conditions

1. General

These Terms and Conditions of Sale apply to all sales by Rare Inc. Ltd t/a VR Bathrooms (“the Company”) to business customers (“the Customer”). These terms apply to business-to-business sales only and do not apply to consumersalesThese terms override any other terms proposed by the Customer unless expressly agreed in writing by the Company. The Company reserves the right to amend these terms, product specifications, availability and pricing without notice. Unless otherwise agreed in writing, the price payable shall be the Company’s price in force at the date the order is accepted or, where applicable, the date of delivery. Catalogue images, samples, brochures, product descriptions and colour representations are provided for general guidance only. Colours, finishes, dimensions, packaging and specifications may vary and do not form part of the contract unless expressly confirmed in writing by the Company.

2. Orders & Contract Formation

All orders placed by the Customer are offers to purchase goods from the Company. A contract is formed only when the Company accepts the order in writing, issues an invoice, or delivers the goods, whichever occurs first. All orders are subject to availability. Goods not held in stock are offered subject to successful procurement by the Company from its suppliers. The Customer is responsible for ensuring that all orders are accurate and include the correct product codes, quantities, delivery details and contact information. Orders must be submitted via: Email: orders@vr-bathrooms.co.uk / Phone: 01784 248 156, option 1

3. Delivery

Delivery dates and times are estimates only. While the Company will use reasonable efforts to meet estimated delivery times, delivery is not guaranteed and time shall not be of the essence. The Company shall not be liable for any delay in delivery, including delays caused by supplier issues, transport disruption, site access problems, weather, customs, shortages, or any other circumstances outside the Company’s reasonable control. The Company may deliver goods in instalments. Each instalment shall be treated as a separate contract. Delivery of further instalments may be withheld until all outstanding payments due from the Customer have been received. Deliveries will be made as close to the delivery destination as safe and lawful road access permits. The Customer is responsible for ensuring suitable access and for providing sufficient labour, equipment and assistance to unload the goods. The Company reserves the right to charge for delays, failed deliveries, aborted deliveries, waiting time, redelivery, parking charges, congestion charges, or other additional costs incurred due to site conditions, access restrictions or Customer default.

4. Site Deliveries & Cut-Off Times

For site deliveries, the Customer must provide the full site address, postcode, site contact name, telephone number and any relevant delivery instructions or access restrictions. A delivery charge will apply and may vary depending on location, order size, delivery type and site requirements. Where applicable, a delivery quote will be provided after the order is placed. Orders must be placed by 3:00 pm to qualify for the next available delivery date, subject to stock availability, delivery capacity and route planning. The Company aims to provide next working day delivery where possible, but this is not guaranteed.

5. Order Accuracy, Inspection & Reporting Issues

The Customer must inspect goods immediately upon delivery or collection and check that they match the order. Any incorrect items, visible damage or shortages must be reported to the Company within 48 hours of delivery or collection. Where possible, incorrect goods should be returned immediately with the driver. Installed, used, damaged, altered, opened, or unpackaged goods cannot be returned on the basis that they were incorrect unless the Company agrees otherwise in writing. Goods must be checked before installation. Installation, alteration or use of goods may be treated as acceptance of those goods, except where a defect could not reasonably have been identified before installation. Defects not reasonably apparent on inspection must be reported to the Company as soon as reasonably practicable after discovery.

6. Returns & Cancellations

Non-faulty goods may only be returned with the Company’s prior written agreement. Returned goods must be unused, undamaged, complete, in their original packaging and in a resaleable condition. Special order, bespoke, made-to-measure, clearance, discontinued, opened, installed, altered or damaged goods are non-returnable unless faulty or otherwise agreed in writing by the Company. The Company reserves the right to refuse returns or apply a restocking charge. The Customer is responsible for the safe return of goods and any associated transport costs unless the return is due to an error by the Company or the goods are confirmed to be faulty.

7. Pricing & Payment

Unless otherwise stated, prices in the catalogue are inclusive of VAT. VAT shall be charged at the rate applicable on the invoice date. Payment is due within 30 days from the end of the month of delivery, unless otherwise agreed in writing. The Customer shall make all payments in full and without deduction, withholding, set-off or counterclaim. If payment is overdue, the Company reserves the right to charge interest and compensation in accordance with applicable late payment legislation, including the Late Payment of Commercial Debts legislation, or at such other contractual rate as may be agreed in writing. The Company may suspend deliveries, cancel orders, withhold further supply, withdraw credit facilities, or require payment in advance where any sums are overdue or where the Company has concerns about the Customer’s creditworthiness. In the event of non-payment, the Company reserves the right to engage third-party debt collection agencies, solicitors or other advisers, or to commence legal proceedings to recover outstanding amounts. The Customer shall be liable for all reasonable costs incurred by the Company in recovering overdue debts, including debt collection agency fees, legal costs, court fees and related expenses. The Company may share relevant customer and account information with debt recovery agents, solicitors, insurers, credit reference agencies or other relevant third parties where necessary for credit control, debt recovery, legal claims or compliance purposes, in accordance with the Company’s privacy notice and applicable data protection laws.

8. Warranty, Defects & Liability

Where goods are supplied with a manufacturer’s warranty, the Customer shall comply with the manufacturer’s warranty terms, installation instructions, care guidance and maintenance requirements. The Company gives no additional warranty unless expressly confirmed in writing. Where goods are confirmed by the Company to be defective, the Company may, at its discretion, repair, replace, refund or credit the defective goods. The Company shall not be liable for defects caused by incorrect installation, misuse, accidental damage, poor maintenance, unsuitable cleaning products, modification, normal wear and tear, failure to follow manufacturer instructions, or use of the goods for purposes for which they were not intended. The Company accepts no liability for removal, reinstallation, labour costs, loss of profit, loss of business, loss of opportunity, loss of goodwill, delay, or indirect or consequential loss. The Company’s total liability in respect of any claim shall be limited to the price paid for the goods giving rise to the claim. Nothing in these terms shall exclude or limit the Company’s liability for death or personal injury caused by its negligence, fraud, fraudulent misrepresentation, or any other liability that cannot lawfully be excluded or limited. The Customer shall indemnify the Company against any third-party claims, losses, damages, costs or expenses arising from the Customer’s resale, installation, use, storage or handling of the goods, except to the extent caused by the Company’s negligence or breach of contract.

9. Risk & Title

Risk in the goods passes to the Customer upon delivery, collection, or loading onto the Customer’s vehicle or nominated carrier, whichever occurs first. Title to the goods remains with the Company until the Company has received payment in full for those goods and all other sums due from the Customer to the Company. Until title passes, the Customer shall store the goods separately from other goods, keep them clearly identifiable as the Company’s property, maintain them in good condition, and insure them against all usual risks. The Customer may resell goods before title has passed only in the ordinary course of business and as principal, not as agent for the Company. The Company may enter the Customer’s premises, or any premises where the goods are stored, to inspect or repossess goods where payment is overdue, the Customer becomes insolvent, or the Customer otherwise breaches these terms. Upon repossession, risk in the repossessed goods shall revert to the Company. If the Customer resells goods before paying the Company in full, the Customer shall hold the proceeds of resale on trust for the Company to the extent of the unpaid sums owed to the Company. In the event of insolvency, non-payment, or breach of these terms, the Company may revoke the Customer’s right to possess, use, sell or otherwise deal with goods for which title has not passed.

10. Installation & Recommendations

The Customer is responsible for ensuring that goods are suitable for the intended purpose, location, measurements, specification and installation requirements before installation. Any installer, tradesperson or contractor recommended by the Company is suggested in good faith only. The Company gives no warranty in respect of any installer’s work and accepts no liability for the acts, omissions, workmanship, availability, pricing or performance of any installer or third-party contractor.

11. Product Suitability, Measurements & Specifications

The Customer and/or installer must check all measurements, technical specifications, compatibility, water pressure requirements, electrical requirements, waste positions, access requirements and product suitability before purchase and installation. The Company shall not be liable where goods are unsuitable due to incorrect measurements, incorrect specification, site conditions, installation constraints, or failure to check compatibility before installation. Manufacturers may alter product specifications, dimensions, finishes, packaging or design without notice. The Company shall not be liable for such changes provided the goods remain substantially fit for their general intended purpose.

12. Force Majeure

The Company shall not be liable for any delay or failure to perform its obligations where such delay or failure is caused by events beyond its reasonable control. Such events may include, but are not limited to, supplier delays, shortages, transport disruption, strikes, labour disputes, extreme weather, fire, flood, pandemic, epidemic, customs delays, import restrictions, cyber incidents, system failures, power failures, war, terrorism, civil unrest, or changes in law or regulation.

13. Termination of Contract

The Company may cancel any contract, suspend delivery, withhold supply, or require immediate payment of all outstanding sums if the Customer:

- a. fails to make payment when due;
- b. refuses or fails to take delivery;
- c. exceeds or breaches any credit limit or credit terms;
- d. becomes insolvent, enters administration, liquidation, receivership, bankruptcy or any similar process;
- e. ceases or threatens to cease trading;
- f. breaches these terms; or
- g. acts in a way that, in the Company’s reasonable opinion, may prejudice the Company’s rights or commercial interests.

In such circumstances, all outstanding amounts owed by the Customer to the Company shall become immediately due and payable.

14. Conduct & Communication

Customers are expected to communicate with Company staff respectfully and professionally. The Company reserves the right to suspend services, close accounts, cancel orders or refuse further supply where a Customer, their staff, agents or representatives use threatening, abusive, discriminatory, offensive or foul language, or otherwise behave inappropriately towards Company staff. Any concerns regarding the conduct of Company staff should be reported to: Email: office@vr-bathrooms.co.uk

15. Data Protection

The Company may collect, use and share customer information for the purposes of processing orders, managing accounts, delivering goods, providing customer service, carrying out credit control, recovering debts, complying with legal obligations, and protecting the Company’s legitimate business interests. Personal data will be handled in accordance with applicable data protection laws and the Company’s privacy notice.

16. Governing Law & Jurisdiction

These terms and any contract between the Company and the Customer shall be governed by the laws of England and Wales. The courts of England and Wales shall have exclusive jurisdiction in relation to any dispute arising out of or in connection with these terms or any contract between the Company and the Customer.
